15/021 CHAIRMAN'S REPORT

The Chairman gave his annual report as follows:

I always start my report with the same opening line, this year is no different!

Another year has passed, which has meant new issues and challenges have arisen for us all to address. I hope that we have managed to represent the whole community, at times I felt this was not the case particularly with recent planning issues, but I am pleased that when the parish needed to express views from across the community, they were made, heard and recorded.

Changes will no doubt be made in our Parish over the next months and years, and it is our responsibility to ensure that we gain services and amenities from this change. This in itself has been a major challenge, but we will continue to work with our District and County Councillors so that our voice is heard.

The Annual Chairmans award this year was a relatively easy choice. Many members of our community work tirelessly to improve the parish, but this year I was able to recommend Phil, Frances and Sam Takel for the award. The parish benefits daily from their work. The commitment they show to maintaining the parish and its amenities is outstanding, and I am pleased that it is now recognised by us all.

The parish council itself will change this year. Sadly Michael Martyn will no longer be part of BPC. I would like to thank him for his work and irreplaceable knowledge of the parish. Nick Morse is also leaving us after a lengthy service to the parish. He has been a dedicated member of the BPC and will also be missed.

However with all these changes I hope that new opportunities will arise. We will strive to make these opportunities positive and as always will welcome the views from our parishioners. Many thanks and best wishes.

other considerations:

Stairs to loft in Parish Hall

Broadband connection for Parish Hall

Council to review again at the next meeting.

15/034 PLANNING APPLICATIONS**15/034/01 3/04/15/003 : Lawful Development Cert for Farm Manager’s Dwelling at Post Farm, Brushford**

Council had no comment to make on this application

Council expressed concern of the proximity to a listed building and the veracity of the Farm designation

15/034/03: 3/04/15/004 Proposed residential development of 13 properties in Ellersdown Lane

This application was discussed in detail.

It was agreed that the Clerk would draft a reply to District, highlighting the following key concerns:

- The Local Plan calls for only 26 houses up to 2032 : 13 new dwellings constitutes 50% of allocation
- The fabric of Ellersdown Lane is not fit for purpose
- Traffic hazards at school bus stop at end of Pounds Close
- Flooding
- Size and layout
- Preference for 5/6 dwellings in one line

Clerk will circulate drafts to Councillors until consensus is reached and then submit to District.

15/035 REPORTS FROM COUNCILLORS

15/035/01 Councillor Nicholson

Councillor Nicholson reported progress on negotiations with the Bus Companies and County

Route 198/398

This is a six month contract and it is unlikely that any changes can be made in the short term.

Route 25

The Bus Company is resisting the request for a stop at Brushford. As the route is 50% subsidised and 50% commercial, County can only influence the subsidised portion.

15/035/02 Councillor Heywood

WSC anticipate a reduced income from the Hinkley Development amounting to £190k per annum, thereby reducing available funds.

15/036 DATE OF NEXT MEETING

It was agreed that the next Parish Council Meeting will take place at 6.30pm on Tuesday, June 9th.

15/056 HIGHWAYS

15/056/01 Latest SID Results

The Clerk tabled the latest SID results together with the trend over recent years (see below). It is evident that the speeding problem still persists, despite the Speed Indicator Devices and that perhaps other means should be examined. It was also noted that with a 42MPH mean speed, the B3222 road through the village is considered to have a definite speeding problem.

DATE	MEDIAN SPEED	85% PERCENTILE
MAY 2015	35MPH	42 MPH
OCTOBER 2014	36 MPH	44 MPH
SEPTEMBER 2014	30 MPH	37 MPH
JUNE 2014	36 MPH	44 MPH
FEBRUARY 2014	32 MPH	37 MPH
JULY 2013	36 MPH	44 MPH
MARCH 2013	33 MPH	37 MPH
OCTOBER 2012	31 MPH	36 MPH
JULY 2012	32 MPH	37 MPH
APRIL 2011	36 MPH	44 MPH

15/056/02 Traffic Calming Scheme

In the light of the above, outline costs of permanent Speed Indicator Signs had been obtained and these were tabled.

It was agreed that Councillor Nicholson would ask County to consider the use of these signs along with the erection of new Village Signs previously agreed, in place of the Traffic Calming Scheme which has been delayed due to staffing problems.

15/057 COUNCIL ADMINISTRATION

15/057/01 Circulation of Minutes

Following a public request for the posting of Draft Minutes on the Council website, it was agreed that this would now be introduced. Clerk to action.

15/057/02 WSC Advisory Committee Membership

Councillors were reminded that membership of the above was being sought.

15/058 PARISH MAINTENANCE

15/058/01 Finger Posts

A quotation had been requested from Exmoor Welding at Wheddon Cross, but was not forthcoming.

Councillor Nicholson reported that efforts were still being made to secure funding and also to secure a "block" price for several finger posts throughout the District. A decision is awaited.

15/058/02 Road Sweeping

At the recent Exmoor Panel, Exford Parish Council reported increased effectiveness of road sweeping by publicising the date of sweep and encouraging parishioners to remove vehicles to accommodate such.

It was agreed that Brushford should consider doing this and the Clerk is to publicise via web site, posters and email to the Community List once firm dates were available.

15/059 PARISH WELFARE

15/059/01 Defibrillator Training

Mr Gillison had suggested that defibrillator operatives should perhaps undergo refresher training. As it is only one year since training was provided and that the unit is virtually self-operating, it was agreed that the DVD should be recirculated to refresh operatives' memories.

15/059/02 Housing

It was reported that the Village Agent has secured paper copies of the Homefinder Application Form. It was, however, agreed that the Homefinder system was not working adequately and that pressure would be brought to bear in an effort to have the system updated and made more user-friendly.

15/059/03 Brushford Bus Services

Councillor Nicholson reported that the 25 Service will travel to Dulverton on a two-hourly basis and that Bus Passes will be accepted on the 198 service from 0900 hours.

15/060 PLANNING APPLICATIONS

THE FOLLOWING APPLICATIONS WERE VIEWED AND CONSIDERED BY COUNCILLORS:

- **3/04/15/008 Agricultural Building at Riphay Farm Cottage for Livestock**
- **3/04/15/009 Agricultural Building at Riphay Farm Cottage for Hay Storage**
- **3/04/15/012 Conversion of listed building for dwelling at Allshire Lane, Brushford**
- **3/04/15/013 Replacement Dwelling - revision of previously approved scheme : Sunnybanks, Ellersdown Lane**

There were no comments to be made on the first three applications above and Council made the following observations on the fourth as follows, which is to be relayed to the Planning Authority:

Following the previous application in 2012, the Parish Council made the following observation:

“Sunnybank, Brushford : Application Number 3/04/12/010

Council noted that, following considerable earth works at this site earlier in the year, there is strong evidence that the drainage from this site, and the fields above, has caused considerable flooding problems further down Ellersdown Lane. Indeed, the area has recently been subjected to prolonged works by the Highways Department and Council have noted that this work has not necessarily alleviated the problem and that the matter is now up for review by the Highways management. It therefore follows that the Application statements with regard to drainage and watercourses contained within the Application are incorrect.

Council would urge that attention to the flooding potential is made a condition of the application.”

Since this time, there has indeed been further work carried out by County Highways on the drainage at this end of Ellersdown Lane, although Highways drainage is not designed to take flood-off water from the land. However, it is understood that it was also agreed between the landowner of the adjacent fields and the applicant that drainage

work would be carried out in the fields to ensure that water coming off the fields would be channelled through the drainage at the property and thence to the highway. It is not clear that this has been carried out.

The Council therefore urges the Authority to ensure that Flood Alleviation investigations are carried out to ensure that the flooding which occurred to a number of properties in Ellersdown Lane on 2012/13 is not repeated.

15/061 REPORTS FROM COUNCILLORS

The Chairman reported that the recent Cream Tea event at The Sidings, Brushford organised by Mr & Mrs Wilson raised £784 for the Somerset and Dorset Air Ambulance and offered his congratulations on a sterling effort.

Councillor Sandiford reported that the annual prize given by the Council was due to be presented this week. In view of the short notice, it was agreed that the Clerk should provide the funds (£50.00) and charge to expenses for the next meeting.

15/071 VILLAGE MAINTENANCE

15/071/01 Traffic Calming Scheme

Councillor Nicholson presented the the first draft of plans for the traffic calming scheme in the village which have been developed by SCC. This comprehensive scheme was welcomed by Councillors who made the following additional suggestions to the scheme:

- i) Either move the 30mph zone to that adjacent to Pixton View, or alternatively implement a 30mph restriction all the way from Exebridge to Brushford.
- ii) Of the six rumble strips proposed, move 2 of them to the railway bridge and at the Back Lane junction.

- iii) The installation of flashing traffic warning signs was considered an important element of the scheme.
- iv) The proposed “virtual footpath” along the B3222 north from the bus stop pavement was considered advisable.
- v) The treatment of a virtual footpath on the corner with the garage was also not considered advisable.
- vi) The 30ph signs on the roadway were welcomed.

SCC will now develop new plans with these changes, should they be acceptable, and the scheme will then go to consultation with the Brushford community.

15/071/02 Finger Posts

Councillor Nicholson confirmed that the National Park was now involved in the plan to refurbish the finger posts and that relevant funding is being secured.

The initial meeting to discuss next steps and to secure volunteers will take place at Winsford Village Hall at 2pm on Friday, September 11th.

15/071/03 Village Road Sweeping

This was discussed and the consensus was that earlier notice of a sweep would be welcomed.

15/071/04 Bus Shelter

Councillor Wilson reported the following on the bus shelter:

- i) The building was looking “tired”
- ii) There was some debris and leaves
- iii) The notice board needs replacing
- iv) The building could do with repainting

It was agreed that a new notice board would be installed and Councillor Takel undertook to do this.

15/071/05 Dog Mess

Councillor Takel reported that dog mess was evidently become a problem within the village.

It was agreed that 6 new signs would be ordered and placed at strategic spots. Clerk to order signs and Mr Takel will put up signs.

15/072 VILLAGE WELFARE**15/072/01 Top Five Priorities**

Given that WSC have indicated that the repairs to Jubilee Gardens would not be acceptable under the 106 funding scheme, Council considered the alternatives.

It was agreed that the tracing of the driveway at the village hall should therefore be listed. Clerk to advise WSC.

15/072/02 Wi-Fi for the Parish Hall

Following the request made at the previous meeting by Mrs Keene, Council agreed to make £100 of grant funds available for this scheme. The Parish Hall committee are to make a formal application for same.

15/073 PLANNING APPLICATIONS**15/073/01 Ref 3/04/15/004 Land to the North of Ellersdown Lane : amended plans/details**

It was noted that these amendments were relatively superficial and included the change from thatched to tiled roofing.

Mr Knock also reported the following on behalf of the Brushford Action Group, following the recent additions to the application:

- Concerns that the drainage proposals were insufficient.
- Concerns that a new (replacement) 2 metre hedge is to be built.
- Indications from the latest house drawings that some appeared to be on platforms in order to compensate for the slope of the land and that this would further increase the overall visibility and be overbearing on existing properties.
- That there were now over 80 objections posted on West Somerset Council's Planning web site.
- That the group had taken no further action in the search for alternative building sites within the parish.

In the light of the above, Mr Knock requested the Parish Council to reconsider these new elements of the application and to make further representations to West Somerset Council in this regard.

It was agreed that the Parish Council would convene a special meeting to review this planning application and agreed to meet in the Parish Hall on Tuesday, November 17th at 6.30pm.

15/105/03 Brushford Post

Mrs Ceri Keene reported that there would be no issue of the Dulverton & Brushford Parish Magazine in January and that any publicity in regard to the proposed Traffic Calming Scheme in The Brushford Post might be delayed.

It was agreed that should this occur, the Council would consider a special publication of The Brushford Post to cover the subject.

15/105/04 Exmoor Flag

Mrs Keene also suggested that the Council consider including the words "Birthplace of the Exmoor Flag" on the proposed new village signs. This was considered to be too late as (reduced) wording for the signs had been agreed.

15/105/05 Brushford Voluntary Lifts

Mr Walford Gilison reported that SCC plans to cut the subsidy currently provided to the Voluntary Lifts Scheme, which would result in the cost of a return visit to Musgrave Hospital, Taunton would increase from £12.50 to £18.00.

He reported that the Voluntary Lifts Groups are to hold an extraordinary meeting on November 24th and he would report accordingly at the next Parish Council Meeting.

- **The 25 Service to Taunton**

This service currently costs the County Council some £140k per annum, which is unaffordable.

It is planned for the journey to be split at Wiveliscombe, with a 10 minute wait for passengers before onward service to Taunton, starting in 2016. There will be no Saturday service.

- The scheme has been in existence for 10 years and provides 250 lifts a year to residents of Brushford and Dulverton.
- There are 14 drivers - 4 from Dulverton and 10 from Brushford, who provide their services free of charge.
- Dulverton have been invited to establish their own scheme on 2 occasions, but have chosen to stay with the status quo.
- The scheme currently enjoys a SCC subsidy of 20p/mile for the first 50 miles, meaning that a return trip to Musgrave costs £12.50, providing an excellent service at an affordable cost.

Mr Gillison reported that County were planning to reduce the subsidy, resulting in the cost of a trip to Musgrave increasing to £18.00.

15/131 APPROVAL OF THE MINUTES OF THE LAST MEETING

The Minutes of the last meeting held on December 8th., were approved as a true record and duly signed by the Chairman.

15/132 DEFERMENT OF BUSINESS**15/132/01 HM Queen's 90th Birthday Celebrations**

Mrs Barbara Wilson requested use of the play area and Jubilee Gardens for a Children's Picnic on June 12th., 2016 to celebrate the Queen's 90th Birthday, which was unanimously supported by Council.

15/132/01 Brushford Voluntary Lifts

Mr Gillison reported that there are strong indications that concessionary fares for the Voluntary Lifts Schemes across the County are to be cut, following a meeting of all such schemes in the county (of which there are now 184 drivers involved). A Public Meeting is to be held on February 7th in an attempt to have the cuts stopped, but Mr Gillison noted that this is generally thought to be unachievable. He therefore requested the Parish Council (and, via Councillor Thwaites for Dulverton Town Council) to be prepared for a grant application to replace the reduced subsidies.

As the financial controller of the Brushford Scheme, Councillor Clarke estimated that a total of £1,000 would be required to make up this shortfall, amounting to £500 per Council. (See 15/133/03 Brushford Voluntary Lifts).

15/133 FINANCIAL REPORT**15/133/01 Payment Authorisation**

The following due payments were approved by Council and relevant cheques signed:

15/133/02 2016/17 Budget and Precept

Following the discussion last month on the Precept for the forthcoming year, it was agreed that the precept should be set at £11,000.00 to ensure cover for the probable requirements of the Brushford Voluntary Lifts Scheme grant (see 15/133/03 below).

15/133/02 Clerk Wages

Having previously requested a review of the Clerk's wages at the request of the Chairman, the clerk presented the current wage structure as follows:

Current salary w.e.f May, 2013 **£344.62**

Based on 8 hours/week @ £9.941/hour = 8 x £9.941 x 52/12 = £344.62 (£9.941 = Spinal Column Point 21)

Spinal column rates were increased in 2015 as follows:

SCP	20	£9.900
SCP	21	£10.261
SCP	22	£10.527
SCP	23	£10.836

The Clerk left the meeting to facilitate open discussion by Councillors.

It was agreed that the Clerk's Wages should be now based on the new Spinal Column Point 22 (£10.527/hour), which would result in an increase as follows:

$10.527 \times 8 \times 52/12 = £364.94$ per month w.e.f February 2016.

15/133/03 Brushford Voluntary Lifts

Councillor Clarke provided the following estimate on the costs for the Voluntary Lifts Scheme, in the event of a 50% cut in subsidy by SCC from 20p/mile to 10p/mile:

BVL currently operates at 10,000 miles per annum, earning a 20p/mile subsidy, amounting to £2,000.00 per annum.

The decrease would result in a £1,000.00 per annum shortfall, which could be subsidised by grants from Brushford Parish Council and Dulverton Town Council of £500.00 each.

Councillor Clarke pointed out that Councillor Nicholson plans to apply for a grant from the Health and Wellbeing Fund at SCC, but this is to be confirmed.

15/134 HIGHWAYS : TRAFFIC CALMING SCHEME

In the absence of Councillor Nicholson, there was no news on the Traffic Calming Scheme.

15/135 PARISH WELFARE

15/135/01 Superfast Broadband

It was confirmed that this service was now available to Brushford residents and was welcomed by Council.

15/135/02 Bus Services

There was no news on any further changes.

15/135/03 A396 Closure

In view of the significant time that the A396 between the Exeter Inn and Cove will be closed, it was agreed that a piece should be placed in the Brushford Post to advise the Community of the possible alternative routes.

15/136 REPORTS FROM COUNCILLORS

Councillor Heywood reported that WSC faced further stringent restrictions on budgets in the light of central government's requirement that a back-payment of £1.5 million is to be paid to Hinkley,

15/142 DEFERMENT OF BUSINESS**15/142/01 Brushford Voluntary Lifts**

Walford Gillison reported that SCC have relented on their plans to reduce their support for concessionary fares and that, for at least the forthcoming year, the Lift Scheme will not be looking for financial support from the Parish Council. It was noted that this may well become the case next year.

15/142/02 Brushford Open Gardens Day

15/142/05 Brushford Bell Ringing Group

- The group consists of eight members and was formed last October.
- The village has had no formal bell ringing group for more than 25 years, although visiting bell ringers have provided services.
- The group is receiving training from bell-ringing groups at Bampton, Carhampton and Minehead.
- However, it is necessary that rope skills can only be developed over a considerable period of time.
- In order to carry out bell ringing practice without unnecessarily disturbing residents, the group wishes to purchase the Abel "Silent Bells" computer system, which is composed of computer software, sensors on "silent" bells, cabling, speakers etc.
- The group plans to commence practice on February 16th between 6.30 and 8.00pm and are targeting Easter for their first public ringing.
- In the longer term, they hope to involve young people to join the group and become proficient bell-ringers.
- The group is seeking £560.00 for the complete kit as detailed above.

15/144/02 Traffic Calming Scheme

The proposed Traffic Calming Scheme plans were viewed and discussed. There are no requests for any changes.

However, it was agreed that the scheme should be communicated to the public as widely as possible, utilising the following:

- Posting on the Council's website
- Feature in the next edition of the Parish Post.

15/145 PARISH WELFARE

15/145/01 Brushford Voluntary Lifts

15/145/02 Battleton Road Closure

It was noted that despite the road closure at Battleton, it was being opened for the school bus. However, it was also noted that bus access to Dulverton from Brushford was proving difficult.

15/145/03 Grant to Bell Ringing Group

The meeting discussed the request for a grant of £560 to the new Bell Ringing Group as proposed by Roger Routledge in deferment of business (see 15/142/05 Brushford Bell Ringing Group). It was agreed to provide a grant for 50% of the total (£280.00), provided that the group could secure match funding from (possibly) the Brushford PCC.

15/145/04 Grant for Flower Tubs

The meeting discussed and agreed the request for a grant of £216 for the purchase of six wooden half barrels from Cove Garden Nursery @£36.00 each for the Brushford Open Gardens project.

15/145/05 HM Queen's Birthday Celebrations

Councillor Clarke reminded the Council that the Public Liability Cover is provided under the Parish Council's insurance policy and that it was therefore important that any activity carried out by the Brushford Activity Group must be done *on behalf of the Brushford Parish Council*. Clerk is to advise Mrs Wilson accordingly.

15/145/06 Exmoor Community Bus

The Clerk reported that there had been a small increase in the cost of the hire of the Community Bus which is to take effect from April 1st as follows:

Current cost = 45p/Kilometre = 72.42p/mile. New cost = 75p/mile.

The minimum charge will increase from £10 to £20 with immediate effect.

15/148/01 Councillor Nicholson

Councillor Nicholson noted that there have been no Council Tax increases on behalf of SCC for 6 years. However, she reported a 5.24% proposed increase in Council Tax for the forthcoming year, made up from the following items of expenditure:

+1.99% for 2016/17

+2.0% for Adult Social Care

15/155 DEFERMENT OF BUSINESS**15/155/01 Bramblehurst Planning Reapplication**

Mr R Byrt of Exebridge attended the meeting to voice his opposition to the planning reapplication No.3/04/16/002, Brambehurst, Exebridge as follows:

- The property originally (pre 1987) had vehicular access via the land now occupied by Higher Exe
- The application raises noise and visual impacts.
- The property is in a flood risk area, contrary to the claim in the application.
- A footpath already exists.
- There is the possibility of petrol and oil from cars parked in the proposed new car park area leeching into the watercourse and thence into the river Exe.

The Council noted his comments and stated they would be considered in the review later in the meeting.

15/155/02 Road Closures

Mr Gillison thanked the Council for the regular updates on works on the public highway, but asked if there was any information regarding a rumoured closure of the Taunton road at Wiveliscombe

The Clerk is to examine and report.

15/156 FINANCIAL REPORT

15/156/01 Council Tax Bills for 2016/17

The Council had been advised by WSC that due to an accounting error, the full precept for 2015/16 was not collected from taxpayers and the shortfall of £2,264.54 was funded by WSC. This has meant that in the comparison calculation of the difference between 2015/16 and 2016/17 has been grossly overstated at +33.98% as opposed to the *real* change of some 5%.

Attempts had been made to explain the reason for this error, but it was decided that, given the complexity of the calculations, it would be better to address any concerns from the community on an individual basis.

Following the publication of the Traffic Calming Scheme on the Council website, one email has been received to voice objection and the Clerk is to respond to this.

The mailed letter of notification to residents on the main road had elicited three responses, of which only one commented on the cost of the project.

It was decided to proceed with the proposed scheme, which is due to be implemented in August. It was also agreed that should the works require a full road closure, the task should be postponed to later in the year when tourism traffic had ceased.

It was agreed that the clerk would progress the project.

15/159 PLANNING APPLICATIONS

15/159/01 Application No.3/04/16/002, Bramblehurst, Exebridge

This application was discussed and the following comments made:

- The property already has 2 garages and space for 2 cars
- The appeal is similar to previous applications, all of which have been refused
- The property is in a Flood Risk area
- Possible pollution of the river Exe from petrol and oil leeching into the ditch
- The opinions of three adjoining residents should be actively considered

It was agreed that the Clerk is to respond, opposing the application.

15/159/02 WSC Planning Committee Meeting

It was noted that the next Planning Committee Meeting is to be held on Friday March 24, when the Ellersdown Lane Proposed Development is to be considered. This is to be preceded by a Site Meeting on Monday, March 21st.

15/160 DATE OF NEXT MEETING
